Dear Sir Arthur,

Our attention has again been directed to the question of passage by the City through the old Military Cemetery on Papineau Avenue, through the following paragraph which is inserted in the 'Montreal Bill' now before the Legislative Assembly, viz:-

"Notwithstanding the right of ownership of the Imperial Crown, the city is authorised to open, Logan Street through the Military Cemetery on Papineau Avenue, and to apportion the cost thereof in accordance with the provisions of article 42I and following of the Charter and its amendments."

In discussion of the foregoing, with Dr W.D. Lighthall and Mr W.H. Leach, Dr Lighthall, who is an authority on matters of historical interest, suggested that this Society being specially empowered to interest itself in such matters, might to advantage reiterate its already expressed views to the Prime Minister of the Province of Quebec at an opportune moment, which latter, is at present, while the Bill is under consideration.

I am therefore deputed to ask, if you Sir, have any objection to such representation being made, along lines such as set out in the draft of the accompanying letter, and if not, whether you would feel disposed as our President to either cause
