Dear Mr. Freeman:-

Thank you for your note of August 23rd. I shall be very glad indeed to see you when you pass through Montreal, but I am afraid I shall not be here on the 24th. I am planning to take a ten days vacation - going first to the Canadian Legion Convention at Niagara Falls and then to spend a few days with my sisters at Strathroy. It was not my intention to return before September 8th.

Please ring up my secretary on the morning of the 8th - Marquette 9181 - and she will let you know where I can be found. Frankly, I wish to discuss with you schools of commerce.

Yours faithfully,

Principal.
