

Mr. Gile might be willing to  
undertake both on the side  
of research and on the side of  
practice to be responsible for the  
period between 1832 and 1864.

I have written to Professor  
Frank Williams who knows  
Mr. Gile well to bespeak  
his assistance with your  
himself professor. There is,  
of course, no immediate
