

Goods shipped to any port west of the St. Lawrence Canals, tolls upon which have already been paid for passage through such canals, may be re-shipped from such ports and be passed through the Welland Canal free of tolls, in the same way as if they had been shipped through direct in the first instance; and goods going eastward, having paid Welland Canal tolls, may be trans-shipped at any port on the Ontario, and thereafter pass free through the St. Lawrence Canals, as if they had been shipped through direct in the first instance.
