

Since the publication of the pamphlet on the Aborigines, issued by the Meeting for Sufferings, at the commencement of the present year, some fresh steps have been taken in reference to this deeply interesting subject, and important information has also been received, more particularly relating to the North American Indians. A brief report, or narrative of proceedings, was presented by the Meeting for Sufferings to the Yearly Meeting, and that Meeting directed that the statements therein contained should be published, together with such additional matter connected therewith as might appear suitable for general circulation. The following pages have been prepared in pursuance of that direction, and they are now commended to the attentive perusal of Friends generally, and more especially of those who may have any opportunity of assisting to redress the wrongs, or promote the welfare of the oppressed.
