A LETTER ADDRESSED TO THE WARDEN AND COUNCIL OF THE  
COUNTY OF WELLAND.

DRUMMONDVILLE, ONT., Aug. 13th, 1887.

*To the Warden and Council of the County of Welland, Ont.*

GENTLEMEN,—“The Lundy's Lane Historical Society” has been recently organized, and successfully established, with an excellent roll of members. Its design is, as the name would indicate, to glean Historical information of the times of 1812-14, to collect papers, and also names of persons and families (in alphabetical order) in a general Recording Book for the purpose, and to add to any such names any interesting *data* connected with them in that eventful period.

Another purpose of the Society is to promote a necessary work of restoration of the graves of those brave defenders who fell July 25th, 1814, and as far as possible to assist in the erection of a suitable monument to their memories, at or near the terrible scene of Battle of that day; and likewise a monument at the grave of Mrs. Laura Secord, the heroine of that period. Her grave is in Lundy's Lane Cemetery, and is in a very neglected condition.
