RECEIVED FROM THE HONORABLE MR. JAMESON,

Minister of State, dated the 1<sup>st</sup> instant, a copy of the original letter of the Honorable Mr. Jameson, Minister of State, dated the 1<sup>st</sup> instant, to the Secretary of State, which letter is as follows:

"Sir, I have the honor to acknowledge the receipt of your letter of the 1<sup>st</sup> instant, in which you request me to furnish you with a copy of the original letter of the Honorable Mr. Jameson, Minister of State, dated the 1<sup>st</sup> instant, to the Secretary of State, which letter is as follows:

"The race referred to took place on the 17th ult., between the horses of Mr. Butter and Mr. Yarker, which were ridden—the former by Mr. James Matthew Prior, of the Ordnance Department, and

the latter by James Jameson, a Negro boy, &c.

I, THOMAS SMITH, of Kingston, Hatter, declare that I saw the race which took place between Mr. Yarker's horse, ridden by Mr. Prior, and Mr. Butter's horse, ridden by a colored boy, and that when the horses were running toward the distant post I saw, when the black boy was passing the negro boy, the latter threw his horse across the track home, and in consequence of the sudden turn he ran in front of the boy, Prior at the same time drove into the dog's breast, and his horse went down; and that when the horses came to a standstill, the colored boy, who was mounted on the black horse, had passed to the right of the dog's horse, and had run past him, and that when he got to his horse, he sprang to it, and rode off, and that he did not stop; which, I verily believe, he could not have done if he had been hit.
