

The Hon. Justice Landry, of the Supreme Court of New Brunswick, writes :—

"I have no hesitation in arriving at the conclusion that the scheme is in the best interests of the Empire, if the details can be worked out. The subject is very important. My best wishes are with you and its promoters for its success."

The Hon. Justice Russell, of the Supreme Court of Nova Scotia, writes :—

"I have read your letters, and hasten to say that I am in entire accord with every word in them, and thank you sincerely for giving me the opportunity to read them."

The Hon. Chief-Justice Sullivan, of the Supreme Court of P. E. Island, writes :—

"I have read your letters with much interest, and I desire to say that I fully share your views with regard to the advantage which the Empire would derive from the operations of such an Intelligence Department."

In Group C are given exclusively the views of the Principals of twelve Canadian seats of learning. Extracts from the letters of a few of these may illustrate the opinions generally expressed.

The Rev. Dr. Bland, of Wesley College, Winnipeg :—

"The first thing to be secured for the development and strengthening of Imperial unity is that the various parts of the Empire should be brought to know each other better. Out of that will come a deeper sympathy. That sympathy is the essential thing whether it give birth to an Imperial Council or find a better organ in consultation among the Premiers. But that is a question which one need not precipitately settle. The first need is fuller and closer intimacy, and to this probably nothing would contribute so effectively as a Free Press Cable Service around the world."

Principal Falconer, Presbyterian College, Halifax :—

"I think there can be no doubt that while we hope strongly for a larger Imperial unity in the not very distant future, at present the only safe and really effective method of promoting it is to increase our knowledge of, and friendship for, one another throughout the Empire, that it will ere long be seen by the various parts of His Majesty's dominion that a closer union of some sort is supremely reasonable. We may allow time, perhaps almost unconsciously, to work out the comprehensive plan."

President Ian C. Hannah, King's College, Windsor, N.S. :—

"I am enthusiastically in agreement with the views you express. In South Africa, Canada, and other parts of the Empire where I have resided, I have been much impressed by the purely local character of most of the contents of the newspapers. Newspaper men are unanimous in telling me it is a question of money; it costs so much more to get distant telegrams
