The engagement is announced in Nelson, B.C., of Nellie Christie, daughter of Mr. J. E. Annable, ex-mayor of Nelson, and of Mrs. Annable, to Mr. Reginald Edward Walter Hagarty, B.A., son of Mr. E. W. Hagarty, principal of the Harbour C. I. and of Mrs. Hagarty, Toronto. The marriage will take place on July 9, in Nelson.

The Australian cricket team will play the Toronto Club on Wednesday and Thursday, on the Rosedale grounds. Arrangements have been made by the Toronto Club whereby ladies can enter by the north gate, where there is a lawn and marquee, where luncheon and tea can be obtained each day. The city will entertain the Australian and Toronto evenings at the R.C.Y.C. at dinner on Wednesday evening.

St. Mildred's College has issued invitations to its annual closing and prize giving by the Lord Bishop of Toronto, in the Parish House of St. Thomas, Huron street, on Wednesday evening, June 13, at 7.30.

Mrs. Crombie is leaving on Wednesday for Quebec, and sailing on Thursday for England, where she will visit her sister, Mrs. Baldwin, in London until the end of July, and will return home early in August.

Miss Margaret Crombie, who is at present with her uncle and aunt in London, will be presented at their majesties' drawing room at Buckingham Palace tomorrow.

Miss Blair Atton-Burrows and Miss George Atton-Burrows will spend the summer at Metis.

Mrs. C. M. Hays, who has been spending the winter in Florida and other parts of the States, returned home to Montreal last week.

About 5000 people attended the reception given by the city to the Presbyterian delegates in the university quadrangle. Part of the campus was enclosed with red and white awning. There were two immense marquees. The table decorations were red roses and yellow lilies in big silver bowls. The 48th Highlanders' Band and pipers were present, and addresses were given by Controller McCarthy and Dr. Murdoch MacKenzie, the moderator of the assembly.

The marriage of Mr. Errol Ashmead Hedderington, son of Major T. S. Hedderington, and grandson of Mrs. J. Lewis Jones, Montreal, to Miss Marion Parsons, Montreal, is arranged to take place in Sherbourne Street Methodist Church on Tuesday, June 24, will be a military wedding. Major Hedderington arrives from England shortly to attend the wedding.

Mr. P. P. Acland, Ottawa, son of the deputy minister of labor and Mr. Acland, was in Vancouver last week on his way to Prince Rupert.

Mrs. Walter Barwick has sailed for Canada.

Mr. and Mrs. H. M. Watson are at the Prince George.

Mrs. J. G. Denison has returned home to Rossland, B.C.

Miss Anna Smith of Rochester, N.Y., is spending a few days with Mrs. Robbins Smith, 124 Madison avenue.

Mr. and Mrs. Mulock have sold their pretty home in Cherry avenue and will shortly remove to Jarvis street, where they will reside with Sir William Mulock.

How to Treat Diarrhoea

In treating diarrhoea the most important thing is to stop milk. Milk makes the poisoning many times worse because it causes the bacteria to multiply. Only boiled water or barley water, rice water or wheat-flour gruel should be given for at least twenty-four hours and for several days if the attack is a bad one. Even if the baby is nursing, it is best to stop the breast feedings and substitute gruel.

Sponge baths with a teaspoonful of soda in a basin of water are helpful in reducing the fever.

While it is necessary to have as much as possible for the little patient, the excessive heat of the days when this disease rages, makes it inadvisable to let the patient out of doors except in the coolest part of the day. When the diarrhoea has become a little checked, mutton or chicken broth may be added to the gruel, one ounce of broth to four or five ounces of gruel at first. Gradually work up to half broth and half gruel. After the movements become more normal in character, milk may be added to the gruel. Begin with a very small quantity, say a dessert spoonful to each feeding of gruel and little by little increase the amount until the regular formula is reached. For the nursing baby, give two or three ounces of gruel first, and then let him nurse for five minutes. The next day give an ounce of gruel, and so on, gradually increasing the amount of gruel until the baby is eating solid food.

SOCIETY IN FEAR OF SUFFRAGETTES

Private Detectives Are Present at All Big Social Functions.

LONDON, June 7.—While the government is doing all it can to suppress the suffrage outbreaks and quell the disturbances caused by fanatical women of what they will do next, is spreading all the time. And now this anxiety has even penetrated London's best social circles, as shown by the presence of unostentatious but nevertheless unmistakable private detectives at almost every function of any importance.

Many detectives were present in costume at the Versailles ball on Thursday night, as it had been rumored that the suffragettes intended to make a big demonstration, with accompanying violence, for a sequel to the mad act of Emily Davison, the woman who caught the bride of the King's horse, Anmer, at the Derby. The courts to be held at the Derby, and Tuesday evenings will be carefully protected, as was the last one in Buckingham Palace. The palace was surrounded by uniformed police and Scotland Yard men were disguised as waiters and footmen and even guests.

To Protect Garden Party. Arrangements for the protection of the royal garden party the middle of the month at Windsor are now being made by Scotland Yard, as a look in the suffrage headquarters shows the militants intend to take the mad act of the opportunity. To offset the possibility of a denouement, it is now suggested that every guest entering the castle gates be carefully scrutinized, and the invitations to take the mad act of the opportunity. WOODMEN OF WORLD UNVEIL MONUMENTS

Three Hundred Members of Order Assemble at Brantford.

BRANTFORD, June 8.—(Special.)—Three hundred visiting Woodmen of the World from various cities assembled here today to unveil numerous monuments erected to the memory of departed ones and to deliver addresses. The orations were delivered in Mount Hope male act before a large concourse of people by Mr. N. H. Harrison and James Simpson of Toronto. Visits were also paid to Greenwood Cemetery, where further tribute to the dead was paid.

Among the camps in attendance, besides head camp officers, were: Forest City, Toronto; Hyde Park, Toronto; Jubilee, Niagara Falls; Ingersoll and Woodstock. Over 500 members of the Brantford Camp were present.

FINE CHURCH OPENED.

BRANTFORD, June 8.—(Special.)—Commencing a few years ago with a congregation of fifty, the newly-built Alexandra Church was opened on Sunday with a service of 300. Besides the enlargement, a magnificent new organ has been installed at a total cost of \$25,000. Rev. W. J. Clark, D.D., of Westmount, delivered an eloquent sermon at the re-opening.

MISS HASWELL IN DECIDED NOVELTY

She Will Play in Boy's Clothes at the Alexandra.

PICTURES OF HOLLAND

Will Be Shown With Many Others at the Grand.

"The Amazons," which Percy Haswell and her company will present at the Alexandra Theatre, tonight and all week, will prove a decided novelty. For two acts Miss Haswell will appear as a frolicsome, mischief-loving boy, and she will wear boy's clothes too. But in the last act, after she has fallen in love and been wooed, she will be seen as the graceful Lady Thomasina Belsham. This will give her an opportunity to wear some of her beautiful Parisian gowns. "The Amazons" was written by Sir Arthur Pinero, just after he had finished the heavy work of the big musical dramas, "The Two Faces of a Woman" and "The Second Mrs. Tanqueray." His critics say that the frolic, merry and fantastic little play by way of relaxation, is as it may be, the unanimous verdict is that "The Amazons" is the most amusing comedy from his graceful pen. It is a gentle and delightful satire on the "mannish woman."

Howe's Holland Pictures at the Grand. Animated scenes of ineffable beauty that will linger in the inner sight long after they have vanished from the screen, will be presented by Lyman H. Howe at the Grand all this week, with a matinee every day. Traveling with Howe has become a popular diversion, for his trips are now considered quite the most enjoyable and instructive substitute for globe-trotting. For the second week of the travel festival, commencing with a matinee today, the feature subject will be quaint Holland with all its charm and interest. Other pictures to be shown are the dynamiting of a mountain, the amazing and daring of structural iron workers on the dizzy heights of skyscrapers over-looking Broadway, New York; a race for life by three panic-stricken refugees pursued by infuriated lions, a ride thru the Niagara gorge, another thru the Simplon tunnel connecting Italy and Switzerland, a visit to the Milan Cathedral, to the Grand the summer residence of the King of Spain. There will also be shown bird studies in the exact hues of nature, Paris fashion, jellifish of the Mediterranean, and the clever Oriental methods of trapping monkeys.

TO REUNITE BRITISH FAMILIES. BRANTFORD, June 8.—(Special.)—Brantford citizens under the auspices of the board of trade have raised over \$500 guarantee for the purpose of reuniting British families in Brantford. The directors of the association are S. G. Read, Thomas Watt, E. E. Ryerson, F. J. Bishop, H. Ham and G. Pickles.

NEW YORKER BURSTS BLOOD VESSEL

NEW YORK, June 8.—(Special.)—Henry Schlegel of No. 559 East 134th street, sneezed himself to death yesterday afternoon. Mr. Schlegel was reading in the dining room, and feeling a draught, arose to close a door. His wife and children, who were sitting on the stoop, heard him sneeze violently and then fall to the floor. They ran in and found him unconscious. He was dead when an ambulance surgeon arrived from Lebanon Hospital.

The doctor reported to the police that Mr. Schlegel's sneezing had caused a nasal hemorrhage.

WOMEN WRITERS GIVEN WELCOME

Party Banqueted and Given Automobile Trip by Winnipeg Hosts.

WINNIPEG, June 8.—(Can. Press.)—Favored by perfect weather conditions, the stay-over yesterday afternoon and evening of the forty-five delegates from Eastern Canada to the triennial convention of the Canadian Women's Press Club, which opens Tuesday at Edmonton, was a brilliant success. The visitors, who included representatives from nearly every daily newspaper town between Halifax and Windsor, Toronto providing the largest contingent, together with the two score members of the Winnipeg local branch, were given a banquet by Mayor Deacon and the city council at the Royal Alexandra Hotel.

During the afternoon the daily newspaper men of Winnipeg, in conjunction with the Industrial Bureau and the board, entertained the entire party with an automobile drive around the city and out to the "Deborah" theatre, the new city of the new city Assiniboine Park for tea.

After the convention is concluded a visit will be paid to the Yellowhead Pass as guests of the G.T.P. Railroad, and to the city of Winnipeg, and on the way back will be entertained by the cities of Calgary and Regina.

ORE, RAILS AND TIMBER.

GRAND FORKS, B.C.—Owing to the heavy traffic in the shipment of ore from the Phoenix mine to the Granby smelter at Grand Forks, B.C., between the two points with new and heavier steel, to relay its line of locomotives on this line a considerable reduction in the cost of handling the construction is being made. Meanwhile the steel bridges which is to span the Fraser River at Hope, B.C., will be begun at an early date and will cost at least \$750,000.

One of the largest timber deals recorded in the Grand Forks district in recent months consists in the purchase by R. A. Brown and J. W. Orr of 10,000 poles on 275 acres of land along the north fork of the Kettle River. The purchasers estimate that the approximate value of the standing timber poles and lumber will amount to \$35.1 million. Only three years ago, so it is stated, the timber property in question was acquired for \$4000 by the present owner, who now makes a profit of \$6000, to say nothing of the land itself and 2,000,000 feet of beam of girded still remaining, which will be used for the manufacture of fruit boxes.

"DEBORAH" OPENS AGAIN TONIGHT

Will Be Given at the Princess Theatre All This Week.

MANY WANT TO SEE IT

Several Prominent New York Theatrical Men Will Be Here.

"Deborah" will open a week's engagement at the Princess Theatre tonight, with Carlotta Nilsson in the title role, and the complete cast which opened the interrupted week at that theatre on May 26. The play will be given as approved by the official censor of the City of Toronto. The management of the company and the author, Mr. Howland, unite in saying that they regard this week's engagement more as a personal vindication of themselves from the unwarranted attacks made upon them, than as a business proposition. Manager Waite believes, however, that there are a great many players in Toronto who want to see "Deborah" and judge it for themselves. It is understood that Judge Morson's decision reversing the police court conviction against the members of the company has caused wide comment in theatrical circles, and that producing managers in New York are now going ahead with booking arrangements to fill Toronto's theatres during the coming season, which had been held up until the result of the "Deborah" appeal became known. In fact, as one prominent producer wired Mr. Waite, this verdict absolutely decided Toronto's theatrical future. In case the police court conviction had been sustained, perhaps a dozen of the big successes of the season would not have been sent to this city, the managers not caring to risk a repetition of the treatment handed out to the "Deborah" management. Several prominent New York theatrical men will attend the opening tonight.

HOUSING PROBLEM SERIOUS AT KAMLOOPS.

KAMLOOPS, B.C.—An extensive construction program is now scheduled for Kamloops for the coming season, the list including a \$200,000 hotel, an exhibition building for the use of the Agricultural Association, a new drill hall, a spur track from the C. P. R. main line to the new power house, besides many residences, stores and office buildings and business structures. The most urgent need of the city just at the present time is a more extensive line of cottages for artisans, the present accommodations having proved so inadequate that many tenants have been called into service to meet the requirements of the small army of workmen now engaged in local building operations. Owing to the resulting congestion, the board of health has taken active steps toward relieving what threatened to become a serious condition.

LOW-PRICED POWER FOR MACLEOD.

MACLEOD, Alta.—Right in line with Macleod's standing offer of cheap power and free sites to large industrial enterprises, the proposition now under consideration here to investigate fully the gas, coal and oil resources of the district, and in case of a favorable report, to grant free power for a term of years to those industries to which the town grants free sites. The recent important strikes of coal and natural gas in neighboring districts have emphasized the large possibilities of Macleod along these lines, and the proposals of Thos. Jackson, the Toronto promoter, are being accorded general commendation. Macleod already has its own electric light and water supply, and natural gas is being supplied to manufacturers at \$12 per horsepower. A general reduction in electric light rates has also been voted by the town council.

ORANGEMEN WILL GATHER AT WATROUS.

WATROUS, Sask.—Special trains from Yorkton, Melville and other important centres are being arranged for in connection with the Orange celebration at Watrous on July 12. The program committee has also scheduled a special list of gala attractions, which will include a parade to the fair grounds and a lacrosse match between the Watrous and the Saskatoon teams. Meanwhile, it is expected that the final touches will be given to the work in and about the G. T. P. yards preparatory to the handing of the increased traffic anticipated during the coming season. In addition to the completion of the loading platform between the main tracks at the station, a considerable amount of grading has been done about the yards; hedges and trees have been planted, and handsome flower beds are being laid out.

BUSY SEASON OPENS AT CANORA.

CANORA, Sask.—That the present year is likely to witness a record-breaking development period at Canora is indicated by the events of the past few days. Special interest is taken in the supplementary estimates just reported from Ottawa which include an appropriation of \$10,000 for a public building at Canora. Plans for a four-room addition to the public school building are now being prepared by Winnipeg architects. The Canora Manufacturing Co., Limited, expect to open their new machine and sewing factory within a few days, employing some dozen or fifteen men. The works are fully equipped for the manufacture of culverts and water pipes, and the handling of general repairs. The stock creamery company has now been re-opened, its plant of 75,000 to 100,000 pounds capacity being designed to meet the probable butter requirements of the district for a number of years to come.

WYBURN MARKED AS RAILWAY CENTRE.

WYBURN, Sask.—Wyburn's vigorous publicity campaign, now being waged, is already bearing fruit, and the slogan of a Greater Wyburn, proposed a few months ago, is rapidly materializing. Toward this result the operations of the railway builders in this section of the west will contribute in an important degree. The importance of Wyburn as a railway center for the future of Wyburn is regarded the rapid progress reported on the 15th miles of line from the C.P.R. Lethbridge-Wyburn line. The completion of this portion of the line, few links will bring the line of steel from the west to the east, as far as Alberta. (Saskatchewan) boundary. Grading on the G.T.P. line from Wyburn is also making marked headway, and a train service to the new town is promised by August 1.
