It recommended increases in wages, averaging protection to men engaged in hzardous branches of the trade and re-commended improvements of some conditions then existing. The board submitted its report to the government; which in turn handed the award over to the workers and the commissioners for their sanction. The mer replied, accepting the award on June 16, but the commissioners have failed to grant increases up to date.

Huerta's Successor Announces to United States That He Desires Only General Amnesty and Protection for Supporters of Present Government-Accepted Office Merely to Pave Way to Amicable Settlement-Cessation of Hostilities Practically Assured.

Canadian Press Despatch. WASHINGTON, July 16.—Francisco Carbajal, successor to Gen. Huerta, as provisional president of Mexico, today advised the United States Government informally that he intends to retire in favor of Gen. Carranza. Mr. Carbajal wishes only that a general amnesty be proclaimed and protection given

to the property of those who opposed the constitutionalists. This statement of the attitude of Huerta's successor, together with the announcement from Monterey that Carranza was willing to enter into negotiations with Carbajal relative to transfer of authority at Mexico City, was regarded here tonight as practically assuring a cessation of hostilities and

he restoration of peace in Mexico. The views of Mr. Carbajal were explained in detail to Secretary Bryan today by Jose Castellot, former member of the Mexican senate, who called at the state department with a personal telegram which he had received thru the Mexican embassy.

Will Promote Peace

The communication was dated last night and follows: "I have just taken oath of office as president of the republic. Generals Huerta and Blanquet departed tonight for Europe. I desire to make it known with emphasis that my only purpose is to facilitate a solution of the grave problems which weigh upon our country. I have not the slightest ambition for myself and merely wish to terminate the internal conflict of our country. Please give me your impressions of the situation in Washington. (Signed), Francisco Carbajal."

This message, Mr. Castellot explained, meant that Mr. Carbajal had taken office only as a means of bringing the gap from Huerta to the constitutionalists, and that the new president had no desire to remain in office.

He examined the machine and found the front wheel off and minor damage, but the steering gear was not injured, even after the accident, so that it could not be used.

W. E. Raney, K.C., and Other Leaders Are of Opinion That Cause Can Only Be Advanced Upon Non-Political Lines--- Defection of Liberals Blamed for Disastrous Defeat in Ontario Election---Proposal of Local Option Contest in Toronto Regarded With Favor.

Ontario Alliance leaders held an inquest on the "banish the bar" plank at the Confederation Life Building yesterday afternoon. The unanimous verdict was: "Liberal treason to Rowell smashed the plank."

Rev. Canon Greene, president of the Alliance, was the presiding coroner. The chief witnesses heard were W. E. Raney, one of the Rowell candidates; Rev. Dr. Carman, Rev. Father Minehan, Rev. Ben Spence and James Hales, the Royal Templar leader.
