Canadian Press Despatch. HAVANA, Feb. 12.-Two cases of

The bubonic plague, authenticated as such, have been discovered here. Three days ago there was one death from this disease. All of the cases are believed to have originated at the wharves used by European steamers. The sanitary authorities are taking the utmost precaution to prevent the spread of the plague.

TALK ON ROSE CULTURE.

Over two hundred old and new members of the Toronto Horticultural Society gathered in Foresters' Hall, College street, last night and listened to the illustrated lecture given by G. Bryon on "Rose Culture," Mr. Bryon pointed out by the aid of illustrated views how to plant the bushes. Miss Blacknock also gave a brief but in-structive address on gardening.
