

LITHOGRAPHING

It is with great pleasure the announcement can be made to all readers of *THE COMMERCIAL* of the important fact that in the City of Winnipeg we have now one of the best equipped plants in Canada, and our patrons can rest assured of all work being handled only by men specially adept in each and every branch, and it will be of interest to all who at any time have had to send East for Lithographic work to know that it is being done by us as cheaply and better than by any other concern in Canada.

COMMERCIAL WORK.

LETTER HEADS.—Everyone knows, and all appreciate the importance of presentable letter paper. It is one of the things that business men admit always gives them more or less an idea of the general character of their unseen correspondents. The address below is of a firm who can supply you with the very best in this line.

INVOICES, STATEMENTS, ETC.—"It is a pleasure to receive a bill like that," has been said of some of our work in this line; and you may be certain it will help collections wonderfully to send out neat and thoroughly well done forms. Note the address: **BULMAN BROS. & CO., 134 Bannatyne Street East, Winnipeg,** where they may be had.

CHEQUES, NOTES, DRAFTS, ETC.—We make a specialty of this line, and all bankers and private firms will make one of the mistakes of business not to call or write. No matter how they are wanted or whatever style of binding, we can supply them, printed in the highest style, neatly and artistically designed. Private bankers will do well to note the address, and put it on the envelope containing your next order.

DEBENTURES, STOCK CERTIFICATES, ETC.—You will be more than satisfied with anything you send us in this line. Our engravers are noted for quality in this department. Mention our address when any town, village, mining company or any concern needing this class of work are spoken of, and you will do them a service.

COLOR WORK.

HANGERS, SHOW CARDS, ETC.—In this branch we excel, and if you want a handsome advertisement you can do no better than send to us, and we will design, draw and print you something that will indeed be "a joy for ever"—perfect in design, harmonious in color, and attractive in the eyes of those needing your goods.

LABELS.—This most important thing about any package or bottle—and some even think of more importance than the contents—and it is admitted by all men of experience that a mean, weak, poor label ruins the sale of the most perfect product. It is with great pride we offer you the assistance of a staff of men of large experience in supplying the wants of Brewers, Aerated Water, Drug and Soap Manufacturers, Confectioners, and all the infinite variety of users of labels, and point with pleasure to Cigar Labels—which are works of art—and little cheap labels. We are able to supply you from the top to the bottom with every class of label, done exactly correct. Look for the imprint: **BULMAN BROS. & CO., Winnipeg.**

CALENDARS.—If you want an unique Calendar for next year, make a point of calling or writing, stating your want, along with what you want on it, and we will more than satisfy you. It is impossible to take each variety of Lithographic work, but if you want anything in this line call or write.

MAPS, PLANS, ETC.

In this department our equipment is complete. We can always give perfect satisfaction, having all the latest appliances for this work. Our specialty is photo reproductions—not the ragged, squashy sort often seen—but bright, clean and clear work. For all special information on this work write us. Our prices are right.

PHOTO ENGRAVING.

In this line we are ahead of all competitors, and every cut made by us is always as perfect as possible from the copy supplied, and turned out in a workmanlike manner. We claim to make the finest Half-tones in Canada, and if you want a cut of any kind, for book, pamphlet or catalogue work, we can supply you. Our newspaper cuts, either in the add. columns or amongst the news, are always noted as the best in the paper. In fact, illustrations of every kind, for whatever purpose you may need them, we are in a position to furnish from either one branch or the other, having engravers on Stone and Copper, Photo Etching on Zinc, and Photo Process workers on Copper in our employ. It is best to deal where you can get just what you want, as at
