

And so we might go on and on, adding more extracts from the flood of commendation that poured in from all sections of the country, — commendation that will undoubtedly be repeated when "The Watchers of the Trails" appears.

Though the problems of animal life and nature appeal especially to him, and his bril-

liant tales of the perils of the untamed wilderness may be his particular metier, Mr. Roberts is by no means a singer of a single note. His keen and sympathetic analysis of human character and his rare and delightful powers of description are employed to equal advantage in his romances and novels.

"A Sister to Evangeline," "The Forge in the Forest," and "By the Marshes of Minas"
