

Pathological anatomy has never, perhaps, given a more decided proof of the cure of a disease than it gives in the cases of pulmonary phthisis."—*Carswell.*

You Can Prevent Tuberculosis.

YOUR Physician will tell you that an absolutely necessary factor in the prevention of tuberculosis is **PURE WHOLESOME FOOD**. Now, what is pure wholesome food? **PURE WHOLESOME FOOD** is food manufactured from the best materials, under the supervision of experts, in factories where the enforced cleanliness insures perfect **HYGIENE**. If you want to assist in the **CRUSADE** against Tuberculosis, and at the same time get a **PURE, WHOLESOME and DELICIOUS FOOD**, buy **LYNCH'S BREAD and BISCUIT**,

"The strongest man who has taken to drink is powerless against consumption. I can say that a universal cry of despair rises from the whole universe at the sight of the disasters caused by drink. Any measure, State or individual, tending to limit the ravages of alcoholism will be our most precious auxiliaries in the crusade against consumption."—*Dr. Brouardel, Dem, Medical Faculty in Paris.*
