

EDINBURGH CABINET LIBRARY,

*Beautifully printed in small 8vo, with appropriate Engravings by the most
Eminent Artists.—Price of each Volume in Cloth Boards Five Shillings.*

THE Publishers have felt regret at receiving from all quarters complaints, that, in consequence of several of the Numbers having been out of print, it was impossible to meet the constant call for complete Sets. This, they beg leave to state, arose inevitably from the rapid and increasing demand, which has been so much beyond expectation, that for some time they could not provide effectually against the inconvenience. But arrangements have now been made on a scale commensurate with the ample and flattering encouragement afforded by the Public: the Volumes are all re-printed, and the Publishers trust that they will henceforth be able to ensure a regular supply of the EDINBURGH CABINET LIBRARY from its commencement.
