

# Varsity Seniors Win From Queens, Varsity Juniors Beat Simcoes

## Note and Comment

The O.H.A. have been very fortunate in their games during the month of January, not only having to be postponed for lack of ice, but also for the reason that the senior series has been won by the Frontenacs of Kingston, who are now ready to play another group which should about declare a winner this evening. Seniors look the best, but it is not until they meet the Frontenacs an excellent brand of hockey should result.

There seems nothing locally worth mentioning in the intermediate series and Preston on their home show in an exhibition game here, look able to again win out. World, however, comes from the east that Peterboro have a fast intermediate team and one that will make the Iron Dukes go the limit.

The juniors will commence to play this week. Varsity and Toronto have been showing to good advantage and are now ready to play another group which should about declare a winner this evening. Seniors look the best, but it is not until they meet the Frontenacs an excellent brand of hockey should result.

There is a young Canadian ball player breaking into the big show via St. Louis, whose name is Billy Hamilton. He is one of those ball players who take the game very seriously. He is full of ginger and always taking chances. He is a splendid fielder, fast and only about twenty years of age. As he improved steadily, he is bound to be one of the great players of the future. He is now with the St. Louis Cardinals.

The Victoria Argonauts had anticipated that they would return to them when they sailed to Cleveland, but they received a rude shock when they learned that Cleveland had asked waivers on the youngster and St. Louis refused to waive. In connection with this, the Argonauts recommended that the Cardinals, who had recommended the youngster, should take a chance on him. The Cardinals, however, have decided to keep him. McGraw's over-supply of drafts, being the first.

Million has come in for considerable press work because of his peculiar name, but that has not been his only play. He is good enough to attract the attention of the major leagues. He is shown by the fact that out of a number of Northwestern League players recommended by his scout, Roger Eckenbach of St. Paul, McGraw has taken a chance on him and one other, catcher Eddie Burns of the Tacoma team.
