

EATON'S DAILY STORE NEWS

School Supply Statements That Ring True

Ding-Dong, Ding-Dong, rings out the school bell, summoning back rosy-cheeked, sun-tanned kiddies, boys and girls, from their long, health-giving vacation. Back they come ready and fit for the winter's work--that is as far as health and vigor are concerned. But it isn't long in the schoolroom before they find there are scribblers, pencils, slate pencils, pencil boxes, pens, ink, school bags and all those hundred and one things that school requires and that lads and lassies pride themselves on having. In the Stationery Dept. on the Main Floor, you will find a display of such things, that the young folks will simply revel in. But it's the prices primarily that will delight the parents, for they are characteristic EATON prices.
