And such a boin of union-now existed between the United States and Canada that me hoped would never be broken.

Memorial Hall.

Before another year is passed the mayor noped to see a memorial hail erected in Eariscourt, and the new city counciling the country of the such that was a hand in this, he added.

"The Union Jack has been brought back to sunlight and victory." said J. R. Robinson, and to the British and allied infantry must be placed the credit of the burdens of this war.

Gorp. A. G. Viets (blind Princess Pat. I.), who received a rousing we come, id not consider himself a hero because he had lost his sight, he had only seen the fringe of the fighting. He paid a ribute to Ear-scourt for the splendid ourage of the 257 men who had died for right against matters of vital importance to the winter.

DANFORTH

BLOOR ST. VIADUCT.

Contrary to expectations, the tracks on the Boor street viaduct were not joined up with the intersection at Bloor and Sherbourne street, on Saturday. They are laid and spiked on the Glen road subvay and extend for half a rail length on the west side of the new roadway within a few hundred feet of the Sherbourne street intersection.

ribute to Ear scourt for the splendid ourage of the 257 men who had died for right against might. Viets was brigaded with a British division, and referred to the traditions of the British and Canadlans, 87 per cent. of whom were British born. He regretted be was not in at the linish, and he pleaded for a square deal for the returning so diers. "One of the last things I saw before losing my sight," said Corp. Viets, "were the boys in khaki marching into action," and he gave a vivid and pathetic description of his comrades in their work in the trenches.

The audience was asked to stand as the roll call "of 257 names was solemnly read by H. Parfrey.

The band of the Royal Grenadiers, led by Bandmaster Lieut. John Waldron, was in attendance, and the so'oists were Misch Church street, for many years.

Hope Morgan and Dona'd C. MacCi whose rendering of "Hearts of Oak" eartily encored.

GORMLEY, VIA CHINA. ROUND-ABOUT MAILS

DEER PARK

At the Timothy Eaton Memorial Sunday School exercises, held yesterday afternoon, Flight-Captain Lloyd Fleming, son of R J. Fleming, and recently returned from the font, gave a thrilling and interesting half-hour's talk on his recent experiences in the Holy Land. Captain Fleming was engaged in flying over Jerusalem on the day of the signing of the armistice terms. He stated that at times an ait tude of 15,000 feet was attained, and, referring to the difficulties of obtaining water in the desert districts, stated that water for the campused houses for electric light cannot be a successful concert in the church clients, stated that water for the campused houses for electric light cannot of the armistice terms. He stated that at times an ait tude of 15,000 feet was attained, and, referring to the difficulties of obtaining water in the desert districts, stated that water for the campused houses for electric light cannot be recently. The Men's Association of Donlands avenue held a successful concert in the church elial expectations. This company also wire stated that at times an ait tude of 15,000 feet was attained, and, referring to the difficulties of obtaining water in the desert districts, stated that water for the campused held as successful concert in the church recently. The financial returns exceeded as greatly fallen in size and importance in recent years, and as occupying, roughing a good work and promises to become a successful organization. John
