Dealing with the questions raised by
the affairs of the Ashalantas, the executive felt that it was not in the best
interests of amateur hockey that a number of players should be disposed of as a
unit by any organization to any club
in the association membership. In pursuance of this policy it was decided that
certificates would not be issued to more
than three players for any one club from
the list that had been furnished by the
Ashalanta club.

AIR FORCE SENIORS MAKE BOW TO FANS

Challengers for S.P.A. Cup at the Arena Tonight-Hockey Gossip.

Dentals will defend the S.P.A. Christhas tree fund cup against the Royal Air ce senior team at the Arena tonight. Dentals won the right to the cup when they defeated Kitchener a week ago, and this will be their first effort to defend it.

The R.A.F. have gathered together a strong team from all over the American continent, and have been showing some excellent work in their practices. Both teams put in the final licks yesterday, and a large gallery of fans watched the fliers in action. The R.A.F. outfit worked like a smooth machine, and many of the wise ones are ready to back

It is hard to find a weak spot in the Air Force outfit. It will be their first appearance as a senior outfit, and their appearance as a senior outfit, and their work will be closely watched. Several well-known players will be seen, and Frank Carroll has spent hours with them until he has developed a well-drilled organization. Ernie Collett, late of Crescents, is the goaler. On the defence will be found Moose Heffernan, Ernie woodcock and McCarthy. Heffernan was the best man in his position here a few years ago, and Woodcock has had plenty years ago, and Woodcock has had plenty of senior experience. McCarthy comes from New York Wanderers with a big reputation, At centre is Mickey Roach, the best American player and a smooth worker. On the right wing is no other than Babe Dye, the chief scorer of the champion De La Salle team last season. Duncan is at left.

Hubert Noble, a younger brother of Reg, the pro. player, and Capt. Dawes are the subs. Dawes comes from Montréal and is a find.

The Dents will find that this is a mighty good team, and if they are able to turn in a victory, the hockey fans will just about concede them the O.H. A championship and the Allan Cup. All the Dental regulars will be on the job, including about four first-class men to pick the subs from.

The reserved seats went on sale yesterday and the fliers gobbled up a big share. They will be out in force to root for the imperial khaki team. The two-referee system will be in vogue with Steve Vair and Lou Marsh handling the bells The game will start at 8.30 p.m. The teams will line up as follows:
