At Hamilton (Mint League)—Guy Zinn, the hero of the holiday game with the Custers, continued his good work here yesterday, when his triple in the first inning started the Hams on the way to victory. O'Rourke had walked before Zinn poled the long one, and Donnelly followed Zinn with a double. Errors were responsible for the three runs Bay City got, and a walk, an error and three hits got Hamilton the other two. Donnelly was the hitter of the day, with four hits in as many times up, including a triple and a double. Breckenridge, secured from the Toronto Internationals, played his first game with Hamilton. Buck Johnston, one of the best juniors ever turned out from the Maitland camp, is this season sporting a bad knee, raceived in the first senior game with the Beaches. His junior team misses him badly this season, as with Buck on the job many goals would be the result. Last season he had all the earmarks of a coming star in the senior ranks.

Orangeville and Durham stage a battle at Durham on Friday of this week. There is considerable rivalry between the two camps, and the homesters can tie up the district by pulling off a win. It is likely that two Toronto men will be sent up to handle the match.
