seat, the incident closed with the published as usual today, and even published as usual today.

The remarks were in Canada unless some adjustment of the cost of living at the cost of livin

allowed to go on with his evidence.

In answer to questions, the witness said there was a sharp diversion between the eastern and western delegates at a conference of the trades and labor council held in Quebec. The western delegates, he said; were more radical than the eastern men. A voluminous copy of the resolution submitted to the meeting were introduced as evidence.

Bitzer is III.

Ald Bitzer was confined to his home today, having contracted a severe cold to be suffering from shock and on the verge of pneumonia. He was able to be in telephonic communication with his mitted to the meeting were introduced as evidence.

tions. The European and South American representatives did not appre-

would automatically come out. As they were never informed to the contrary, they went on strike May 15. The Trades and Labor Council, he said, were responsible for calling the said, were responsible for calling the strike.

Ar. McKinnon, the Unionst Canulated date, did not prove to be an enthusically disappear."

Ar. McKinnon, the Unionst Canulated date, did not prove to be an enthusically disappear."

The president renewed his recomment. He said the government had made a great many mistakes, but said, were responsible for calling the spiral properties.

The industrial and labor feud in the president renewed his recomment. He said the government might have done worse. He had accepted the non-strike institutions. their forces for a fight to a finish. Ination with the understanding that Capital, strengthened and entremched he should be entitled to pursue an inby five years of unparalleled prosperity,

conflict. During the labor congress was witnessed the strange sight of these ment. two great forces preparing for a deci-sive battle, while in their midst were the world's representatives seeking world-wide unanimity and reform.

held by them, duly verified.

And further take notice that after the said fourth day of Jahuary. 1920, the said Administrators will proceed to distribute among the parties entitled thereto, having regard only to the claims of which they shall then have notice, and the said Administrators will not be liable for the said assets, or any part thereof, to any person of whose claim notice shall not have been received by them at the time of such distribution.

Dated 2nd December, 1919.

THE ROYAL TRUST COMPANY, 59 Yonge Street. Toronto.

By CROMBIE, WORRELL & GWYNNE, 76 Adelaide Street West, Toronto, the said street west, and the said by Public Auction the said lands, or such portions thereof, as shall be necessary to their Solicitors.

City of Toronto, County of York. To wit:

NOTICE is hereby given that the list of lands now liable to be sold for arrears of landsraries of taxes in the City of Toronto, has been prepared, and is being published in an advertisement in The Ontario Gazette upon the 1st, 8th, 15th and 22nd November, 1919.

Copies of such list or advertisement may be had upon application to me. In default of payment of taxes, as shown on such list, on or before Wednesday, the 11th of February, 1920, at 11 o'clock in the forencon, I shall at the said time, and at the City Hall, Toronto, proceed to sell by Public Auction the said lands, or such portions thereof, as shall be necessary to their Solicitors.

The RRADSUAW.

City of Toronto, County of York. To wit:

NOTICE is hereby given that the list of lands mow liable to be sold for arrears of landsraries indicate more stability in Canada. Here, for the present, at least, capital and labor are not in serious conflict, while in the United States the battle list, opining the winter of sate upon the 1st, 8th, 15th and 2nd States the battle list of least, capital and labor are not in serious conflict, while in Canada.

Fredict Stability or Canada.

Industrial condicate more stability in Canada. Here, for the present, at least, capital and labor are not in serious pay such arrears, together with the charges thereon. industrial congress was dissolved by embittered factions and where they did not participate in the world's N.19,26,D.3 labor parliament.

Tom Moore Gratified. "The International Labor Conference accomplished successfully everything it set out to do—developed the machinery for a permanent organization, and agreed on matters of vital im-portance to labor the world over, and which, if ratified by the signatory governments of the league of nations, will result in radical changes for the bet-

nations or a party to the peace treaty was made much of by the employers," he said. "The workers feel that as Canada willingly and ably demonstrated her ability to take part in the world war long before the United world war long before the United States and set a proud record, she can take part in the benefits of conditions of the great masses of the world. I trust that Canada undertak-ing undoubtedly prevails in the rid-

Time Limit for German Loan Extended, Indicates Failure

MUST CURTAIL RAILWAY SERVICE

Recovers From Mauling by Railway Board Chairman Says Increased Cost of Operation Means Fewer Trains.

> Winnipeg, Dec. 2.—At the session of the board of railway commissioners today Hon. Mr. Carvell said there

people of Canada may as well realize that they cannot have excessive railway accommodation, such as a train a day or two trains a day, unless they are repared to pay for it."

A hearing was given to the grain growers in the matter of opposition to increased telegraph rates, to which the Winnipeg dealers, contribute many thousand dollars a year, the secretary of one association saying that the people of the world are changing their attitude towards the sacredness on capital and that there are individuals conditions and make the system conentitled to more consideration than form with the fact that the United capital. The items put forward by the companies for depreciation were also characterized as becoming a fad Recognition and relief for veteran by the grain growers' representative. soldiers of the world war, particularly Mr. Carvell replied that he had personal knowledge of plants which proposed by Secretary of the Interior were now paying the penalty because Lane. they had not set aside a large enough Prodepreciation fund in the earlier days stuffs industry built up during the of their history.

stuffs industry built up during the war to keep the United States independent of foreign supply.

out giving offense to the farmers. out giving offense to the farmers.

Mr. McKinnon, the Unionist candimal conditions this unrest will rap-

world-wide unanimity and reform. Under these conditions the United States took no part and upon Canada fell a leading part. It has been a great advertisement for this country, and our representatives were rewarded by recognition and appreciation by the other went after Mr. Best without gloves, were rewarded by recognition and appreciation by the other went after Mr. Slack announced that he would resign from the legislature to run against Mr. Best for parliament, and would forfeit half his sessional indem-would forfeit h defeated. He was willing to wager move the grievances," said the presi-\$200 that Mr. Best would lose his own dent's message. At another point, it \$200 that Mr. Best would lose his own dent's message. At another point, it party convention. Mr. Slack said he declared "the seed of revolution is rehad been for years a Conservative, but pression had voted against conscription in 1917. The Best charge only seems to in-volve \$3.20, and has to do with the nant of the league of nations," said township paying twice for the same the message, "offers us the way to gravel. Mr. Slack says he was reindustrial peace and conciliation. No sponsible to the township clerk for issuing the two cheques. He says Mr. Governments must recognize the right Halbert had no interest in the transaction, but was collecting the claim humane objects. * * Labor must for a neighbor, and, at any rate, the no longer be treated as a commodity.

money was refunded.

A Free Trade Speech. From this rather trivial dispute, the audience was diverted by John Ken-nedy, who made an old-fashioned free there is a predominant right, and that trade speech. He declared that the is the right of the government to pro-National Policy was ruining Canada. tect all of the government to pro-and that the farms and villages alike showed a constant falling off in popu-lenge of any class."

Senator Blain replied that the census told another story, and everybody knew that Canada had greatly increased in wealth and population. said that charges had been made that no taxes were levied on the profiteer, ter," said Mr. Tom Moore, president of the Trades and Labor Congress of Canada. Mr. Moore returned to Ottawa to said, might clear the 100 per cent. Canada. Mr. Moore returned to ottawa tor said, might clear the 100 per cent, last evening, and is very enthusiastic which would be \$1,000,000, but he could over the work accomplished.

"The question of how far Canada could go if the United States does not become a signatory to the league of the united States does not become a signatory to the league of the amount under the law providing for a tay or the league of the states does not become a signatory to the league of the amount under the law providing for a tay or the league of the states are the states and the states are th providing for a tax on excess profits.

Drury Comes Today.

Premier Drury and other members of the government will enter the riding tomorrow, and the Farmers will continue to make a vigorous campaign. Mr. McKinnon and his friends are rather gum-shoeing it, and hope to the conference. The scene has chang-ed, the war is now for a bettering of They are adopting a conciliatory tone and all of the lights were turned out and several were thrown on the floor. ing her duty in this respect will have a favorable bearing on the action of that Mr. McKinnon will be elected, the United States." "Irrespective of the attitude of the more hopeful of carrying a seat than United States, the workers will back they were six weeks ago. As one local up the government in bringing into worker put it today: "The Farmers up the government in bringing into worker put it today: "The Farmers effect the resolutions passed at the quite so fierce!"
