"The Imparcial publishes a despatch for which it must assume full responsibility, as it does not accord with the relations actually known to exist between the Spanish and American Governments. It is dated from New York, and reads: "Great military preparations are being made. The forts are bing reinforced. Three hundred artillerymen have been sent to Sandy Hook and the naval reserves have been ordered to hold themselves in readiness. There are too many advertised remedies which and Arthur, and former Minister to England, is positive that in case of accident, or if the mine was exploded by a Spanish fanalic, Spain would not be burdened with any legal responsibility.

Mr. Lincoln said: "In neither case would the slightest liability attach to Spain, Assuming a mine exploded by a fanatic or by accident, that would be the end of the affair. Giving international law the widest latitude, and stretching precedents to their limit, there would be no liability against the Government of Spain."

MISS WILLARD'S WILL. Less Than \$20,000 of an Estate, Which Goes to the Chicago Temple Fund

Chicago, Feb. 21 .- By the terms of the will of Miss Frances E. Willard, late President of the W. C. T. U., her estate will pass into the Temple fund, after the life interests of her secretary, Miss Anna Gordon, and of her sister-in-law, Mrs. Mary E. Willard, have expired. The property consists of "Rest Cottage," at Evanston, valued at \$16,000; a small cottage in the Adirondacks and \$3000 in cash, which was presented to Miss Willard on her 50th birthday.

By the original will the ctate was to pass to the W. C. T. U., but a codicil dated after the Buffalo convention diverts it to the Temple fund. The Temple trustees will probably waive their rights and leave the estate entirely to the direct beneficiaries.
