

By the accompanying statement of the Treasurer, it will be seen that we have to our credit at the present time the sum of \$35.11.

Victoria Strachan, Annie Masson, Bella Macmillan, Alex. Bell, Willie Cooper, and Willie Bremner, were present every Sabbath during the year, while Bertie Macmillan and Roderick Bremner missed one Sabbath only.

We are glad to be able to report that the attendance has risen from an average of 98 last year to 108 this year.

The Superintendent's prize to the class having the highest average attendance, will be given to Miss Kennedy's and also to Miss Masson's class, the two being so nearly equal that injustice would be done by limiting the prize to one class.

Seeking to realize to some extent the importance and value of our work, and fully believing that the growth, stability and vitality of the congregation very materially depends upon the Sabbath School, let us enter upon the work of 1884 imbued with the spirit of the good King Hezekiah, who, "in every work that he began in the service of the house of God, and in the law, and in the commandments, to seek his God, did it with all his heart, and prospered."

J. MACMILLAN,

Superintendent.
