#### U. S. AVIATORS LOOP THE LOOP 457 TIMES IN 114 MINUTES

Washington, D. C., May 30.—The war department was notified today that Lieut. Ralph J. Johnson, pilot, with Lieut. Mark Woodward as passenger, had established a new world's record for looping the loop in mid air.

In the presence of an official board of officers appointed to witness their flight and looping, these officers on May 16, at Carlstrom Field, Florida, looped the loop 457 consecutive times. The looping time was 114 minutes 10 seconds, and their flying time was 120 minutes. They consumed 23 quarts of oil, 59 gallons of gasoline, 11 gallons of water, and the speed of their motor was 1,500 revolutions a minute. The airplane used was a Le Pere.
