Baseball Notes.

Jerzey City have signed Charley Loudenslager, who used to play zecond base for Rochester.
George Metritt, the well-known Jerzey City ball player, may lose his life from the bite of a dog. Soon after he was bitten, his arm and hand began to swell. He is now undergoing treatment in the Paterson Hospital. Merritt is well-known to Eastern League fans, to whom he was the cause of much jollying. "Tacks," as he was familiarly known, has been one of the best all round players in the league for some years, being a good first baseman, a cracking good hitter and also some pitcher.
