

scheme, let me bespeak your most hearty and general co-operation.

For the words of cheer I have received, and for the great assistance rendered by the officials of the church, the Ladies Aid Society and the choir, I am devoutly thankful.

The Sunday School, the various branches of the Epworth League of Christian Endeavour and the several society classes I commend to you prayerful sympathy, loyal support and kindly help.

As the home precedes the church and the spiritual life of the individual member precedes church work. I would most sincerely call your attention to the proper management of the one and the careful cultivation of the other.

In entering upon another year let us band ourselves more closely together in earnest effort to do the work God in his providence has assigned us.

Many strangers join us in our services on the Lord's Day ; to these let us be careful to show a friendly spirit.

And now I commend you to God and to the word of His grace, which is able to build you up and give you an inheritance among all them that are sanctified.

Your affectionate Pastor.

WILLIAM TIMBERLAKE.
