# Gargling Oil Liniment

**Yellow Wrapper for Animal and White for Human Flesh.**

"Whether for use on man or beast, Merchant's Gargling Oil will be found an invaluable Liniment, and worthy of use by every resident in the land. We know of no proprietary medicine or article now used in the United States which shares the good-will of the people to a greater degree than this. Yellow wrapper for animal and white for human flesh."—*New York Independent*."

From C. T. Dale & Co., Mortonsville, Ky.—We sell about twenty bottles of Gargling Oil where we sell one of any other liniment, and the last year we have bought and sold more than any year previous.

From J. G. McCullough, M.D., dated Beallsville, Ohio, Aug. 22, 1872.—We are selling Merchant's Gargling Oil faster than any other liniment.

From Dr. J. P. Terrell, Warren, Ind., March 3, 1856.—I am engaged in the practice of medicine, and find your Gargling Oil an extremely efficient remedy in all cases where an external application is indicated.

From J. C. B. Ish, M. D., dated Arrow Rock, Mo., Sept. 9, 1872.—I sell a great deal of your Gargling Oil, and think it the finest medicine I ever saw.

## Merchant's Gargling Oil as a Family Liniment.

We are now, and have been for some years, preparing the Oil free from stain, to be used as a common Liniment for human flesh, extracting the coloring ingredient which has heretofore rendered it objectionable. This Oil possesses all the medicinal properties of that prepared with the dark tinge for horses and cattle, and will be found one of the best remedies for all purposes where a liniment is required that has ever been manufactured.

From J. K. Fisher, Uniontown, Pa., January 31, 1857.—"Your Gargling Oil is doing much better here than formerly, since its vir ues have become known; and the bottles put up for family use, without stain, are much sought for."

☞ The Gargling Oil called "Family Oil," although prepared intentionally for human flesh, answers as well for beasts, *vice versa*, the dark Oil answers as well for human flesh, only it will stain and discolor the skin, but not permanently. Yellow wrapper for animal and white for human flesh.

## Gargling Oil Liniment as an Internal Remedy.

Merchant's Gargling Oil is a diffusible stimulant and carminative. It can be taken internally when such a remedy is indicated, and is a good substitute for pain-killers, cordials and anodynes. For Cramps or Spasms of the Stomach, Colic, Asthma, or Internal Pain, the dose may be from fifteen to twenty drops, on sugar, or mixed with syrup in any convenient form, and repeated at intervals of three to six hours. Yellow wrapper for animal and white for human flesh.

**Merchant's Gargling Oil** is the Standard Liniment of the United States. Established 1833. Large size, \$1; medium, 50c.; small, 25c.; small size for family use, 25c.

Manufactured at Lockport, N. Y., by M. G. O. Co., and sold by all druggists.
