Eddie Plank Worn Out, Quits.

Detroit, Aug. 14—Eddie Plank, veteran left hander, has retired permanently from baseball. Fielder Jones of the St. Louis Americans, made this known today when he announced that Plank left the team last Saturday and has gone to his home at Gettysburg, Penn.

Fairville Giants Win

The Fairville Giants vanquished the Milford Stars last evening by a score of 8 to 4 in a fast game of baseball which was replete by heavy hitting on the part of the winners. O'Connor was found for six doubles in addition to several single hits. The batteries were: McLeod and McKinnon for the winners and O'Connor and Snodgrass for the losers.

Will Lajoie be Drafted?

Will Manager Larry Lajoie of the Leafs be drafted? That's what's been troubling the Toronto ball club for some time. Larry has received three offers to go to the major leagues and play first base, two of them being from St. Louis and Boston in the National League and the other from the New York Americans.

To all these offers Larry has turned a deaf ear. The Toronto manager's reasons are that when he was with Cleveland he wasn't his own boss. With Toronto it is different. He has complete charge of the players as is shown in the Smith and Graham cases, and while he has a good ball team, Larry says he will have a better one next year. Therefore the only way Larry will be enticed away from the Leafs is to be drafted, like Joe Kelly was by the Braves.

Toney Gets $1,000

St. Louis, Aug. 12.—Cincinnati twice defeated St. Louis today 7 to 0 and 7 to 6, and moved into third place in the pennant race. Toney shut out St. Louis in the first game. It was his twentieth victory, for which he received a bonus of $1,000. The second game was a slugging match which Cincinnati won in the seventh when Doak was driven from the mound.

Must Pay Salaries in Full

Cincinnati, O., Aug. 11.—The National Baseball Commission today promulgated a finding in which it ratified a ruling of the National Board awarding to disbanded minor leagues the retention of territory privileges that in the same finding the tension of protection to such clubs in reservation of their players for 1918, unless their salaries, as stipulated in their contracts are paid in full.

The decision came up relative to a number of minor leagues that have disbanded for the season and the question of the status of the players with these clubs was involved.

Former Mackmen to Play

New York, Aug. 16.—A Sunday game in New York, the latter part of next month, between the Giants and the famous Athletics of four years ago with the $100,000 infield for the benefit of the Red Cross was suggested today.

It is pointed out that all the men who must be gathered together from a half dozen clubs to rejoin Connie Mack will be playing in the east and could make the journey to New York over night.

McInnis, Strunk, Schang and Bush are still with the Athletics. Collins and Murphy are with the White Sox; Barry, Welsh and Pennock with the Red Sox; Baker and Shawkey, with the Yankees, Plank in St. Louis, Bender with the Phillies and Coombs with Brooklyn. Outfielder Oldring has left the game.

Ad Wolgast's Condition

Ad Wolgast, the former lightweight champion, who has been ill for quite a time at a sanitarium near Milwaukee, is still under the care of doctors, and from reports given out the great little fighter is not in a condition to leave the institution, although at times he appears to be well and in good shape.

THE TURF.

Cox Wins Two.

Cleveland, Aug. 15—Walter Cox walked off with the feature event of today's card in the North Randall Grand Circuit meeting winning first money in the $3,000 trotting feature with Lu Princeton. Royal Mac, the favorite in this race, gave Lu Princeton some hard competition but failed to win.

Cox also won the 2.19 pace with Marjorie Kay, who found the going easy. In the 2.13 pace Butte Hale, driven by Murphy, proved the class of his field and although he did not win either of the three heats by a large margin, was not forced to extend himself.

The 2.15 trot, with eleven starters, was a hot proposition from start to finish. Royal Hal the favorite, was not even a contender, Cora Davis going to the front and walking off with first money.

SAYS COBB HAS NO WEAKNESS

Pitchers Say Everything is a Groove Ball For Him; Has Made Remarkable Average in Thirteen Years

Boston, Aug. 16—"He has no weakness. Everything is a groove ball for him." That's how pitchers who have worked against Tyrus Raymond Cobb regard him as a batter. "When you pitch to Cobb you simply throw the ball towards the plate and hope that he won't hit it," said Ray Caldwell not so long ago. And Cobb "sure is' 'on the rampage this season. There is every reason to believe that he will breeze in with another batting championship to his credit.

While Cobb was becoming acclimated to his big league surroundings the first year he was with Detroit he failed to get into the .300 class, but that is the only year that he has been kept out of the upper strata of American League hitters.

Twice in his career Cobb has pounded the ball at better than a .400 clip. He aspires to reach that mark again this season, and to judge by the way he has been increasing the number of his hits and boosting his average, it seems that he is in a fair way to realise his ambition.

It has been argued by some critics that Cobb plays for his individual record rather than as one of the cogs of a baseball club, and that as a result he is not of as much value to his club as his record would indicate. These critics have miscued. Any ball player who hits as consistently as Cobb does is a pinch hitter as well as a hitter when there are no runners on the paths. Any one who hits as consistently must get on the bases often enough to help his team materially in scoring runs. Any one who can steal bases the way he can brings runs nearer materialization every time he gets on the paths.

Cobb's average for his thirteen years of big league activity is .362. He has made a total of 2284 hits, scored 1,208 runs and stolen 623 bases. That comes pretty close to earning $20,000 a year as baseball wages go, doesn't it?

He has been in the American League for thirteen years, always with Detroit. He has led the league in hitting nine seasons consecutively. In 1907, his third campaign in a Tiger uniform, he jumped to the fore and held the place until last season when Tris Speaker beat him out.

A glance at his batting record for the thirteen years he has been in the "big show" will prove why Ty is the highest salaried ball player and why he earns his annual stipend of $20,000. Cobb's record for thirteen seasons follows:—

Year	G	AB	H	AV
1905	41	150	36	.249
1906	97	350	112	.320
*1907	150	605	212	.350
