Semi-ready Talk:

"A gain and a save—
"We believe there are both in a Semi-ready Tailored Suit.
"If it were not so we would not say it—
"For we cannot sell what we do not believe in—
"The saving is in the longer wear and the more distinguished service—
"The gain is in the satisfaction which one must always feel in a perfectly tailored, well-fitting suit—
"The same price West as East, despite what others say about the higher cost of all things—absolutely the same, as Ruggles said.
