On the shady side of 140 Pounds

If your weight exceeds 140 lbs. the tell-tale scale urges the wearing of the La Diva No. 809 corset known as the "NU MODE" sustaining. This corset not only improves the appearance by reducing the abdomen by as much as six inches, while helping a graceful and erect figure, but it gives great comfort either sitting or standing—freedom from pressures which soon turn to pain—freedom from breaking over the hips—these qualities being assured by their patented construction. Its price is only \$4.00.

Many imported so-called reducing corsets, which on account of customs duties are sold at from \$1.00 to \$3.00 more than the NU MODE are neither as comfortable nor as stylish. There is a D. & A. or a La Diva model for every figure. Our catalogue, sent free on request, will help you to choose the best for yours.
