How Bleachodent Whittens Dark Teeth In Three Minutes
Bleachodent Combination contains a mild liquid to soften stains—and a special paste which gently removes them. Dull, yellow or tobacco-stained teeth are made shining white, sparkling clear—almost while you wait! Perfected by two prominent dentists. Just use liquid once a week—paste every day. Keeps teeth wonderfully white and looking young. Don't go around with bad looking teeth. They spoil appearance and besides cause tooth decay and bad breath. Get Bleachodent COMBINATION (containing both liquid and paste) for small cost at all good druggists, such as Clifton Brown, R. W. Hawker & Sons, W. Hawker & Sons, Royal Pharmacy, Ross Drug Co., A. Chipman Smith & Co., Ltd.

Subscribers to the Designer, who formerly obtained their copy at Macaulay Bros., can now procure the June issue at the Women's Shop, Oak Hall. Bring your card.

PLAY LEADERS ON GROUNDS ASSIGNED

Use of St. Peter's Field for Playground to be Decided Later.

The regular monthly meeting of the St. John Playgrounds Association was held yesterday afternoon in the Health Centre with F. T. Lewis, president, in the chair. Miss Emma I. Heffer, secretary, reported \$424.51 on hand May 31 to begin the summer work. A suggestion from Rev. J. Cloran, C. S. R., rector of St. Peter's church, that the grounds at St. Peter's might be used for the association this season was referred to a committee composed of Parker W. Hamms, Stanley E. Webb and Mr. Lewis to confer with Father Cloran for further information. The meeting did not feel that there were sufficient funds to allow for supervi-

son for another ground. It was also felt that neither of the North End units could be dispensed with for re-signation. Action was deferred until the committee reports. The play leaders were assigned as follows: East End, Miss Beatrice Mooney, supervisor; Arthur Burns, assistant; Centennial, Miss Ethel Hawker and Miss Eileen Davis, assisted by J. V. Nugent; Allison, Misses Eugenia Kelly and J. Wilson, assisted by M. Fowler; West St. John, Misses Marion Hamilton and Elizabeth Stanley, assisted by Ray McMurray; King George, Miss Agnes Dever, assisted by Robert Langstroth; Alexandra, Miss Catherine O'Neill, assisted by Harold Barker and by Miss M. McCready, who will also assist on the King George grounds.

Mr. Hamms was appointed to represent the association on the executive committee on the juvenile court. Mrs. A. M. Belding brought up the question of the appointment of women on the board of the Municipal Home, recommended to the Local Council of Women by the constituent societies and referred back by the council to each society. It was unanimously agreed by the men of the association present that the six women delegates to the Local Council, convened by Mrs. Belding, should decide the choice among themselves. Miss Heffer was granted leave of absence for a week before the work of the summer commences. As Mr. Farquhar had to leave, Mrs. Good acted as secretary pro tem.

Keen, sensitive, positive action

RIGHT from the first wheel-turn you'll feel the keen, positive action of Hasslers—sensitive to every slightest move of the car, absorbing the vibration, smothering the smashing bumps before they have a chance to reach the springs!

—the one and only shock absorber that positively functions on a Ford car—the only one that arrests both up-throw and rebound shocks.

It will be a revelation to you how much better your Ford will hold to the road, and glide along with the ease and comfort of higher priced cars!

No wonder Fords, Hassler equipped, have one-third longer life. On repairs alone, on tires alone, on fuel alone, you'll save more than Hasslers cost — you're paying for them—why not have them?

If your dealer does not have them, write to,
Robert H. Hassler, Limited—Hamilton, Ontario.

Ten-Day Trial Offer

It's no trouble at all to try Hasslers; quickly installed—or taken off in a few minutes. No alterations on car. Try them for ten days. Your money will be refunded if you say so.
