TO TAKE UP STREET CAR MATTER FRIDAY

Board of Utilities Sets Date For East Saint John Extension Hearing.

The Board of Public Utilities yesterday set Friday, April 24, at 2:30 in the afternoon as the time they would take up the application of the property owners of East Saint John for the extension of the street railway tracks to Lee's Corner.

AFTERNOON SESSION.

At the afternoon session the application of Charles W. Lewis for an order from the Board compelling the Electric Commissioners of Perth and Andover to supply him with current was taken up. Mr. W. Hayward, K. C., appeared for Lewis and Dr. F. R. Taylor, K. C., for the commissioners. C. L. Olmstead, J. W. Niles, G. G. Porter, and Dr. R. W. Earle, members of the board of commissioners, and G. W. Wright, secretary, were also present.

Mr. Lewis was placed on the stand by Mr. Hayward and said that he had been forced to supply his own transformer when he wanted power for his mill and he contended this was unfair. He had always paid his bill under protest and in December 1922 the current had been cut off because he refused to pay a bill of \$165.70 which he contended was not due as the interest on the amount he had invested in the transformer amounted to more than that sum.

TO BE CONSIDERED.

At first the rate for power was 2 1/2 cents per kilowatt hour but later it was increased to four cents. He had applied at different times for current since it was shut off but had been refused until he paid \$165.70, which he contended was not due. Mr. Taylor, for the commissioners, said they were quite willing to give Mr. Lewis current just as soon as he paid the bill owing. They would buy Mr. Lewis' transformer at the price it could be bought for today or they would buy a new transformer to give him service and he argued that there was no need for an order from the Board at all.

Mr. Mildram, expert of the board,

suggested that an agreement be reached between the parties whereby the board would issue an order that current be supplied to Mr. Lewis, subject to the rules and regulations of the commissioners for the district.

This did not meet with the approval of Mr. Hayward who contended that his client was entitled to a plain order for service or no order should issue at all. The chairman said the matter would be taken under consideration. J. S. Leighton, for the Woodstock Electric Light and Power Company, asked that the fixing of rates for the Town of Woodstock be deferred for three months as the town had secured legislation enabling it to buy out the company. It was decided to defer this matter until the regular meeting of the Commission in July.

PRESENTED RING.

The members of Miss R. A. E. Mitchell's class of the Main street Baptist Sunday school met last night at her home and made the presentation of a ring and an address to Miss Kathleen Crawford, one of their number, who is leaving shortly to reside in Fredericton. The address was read by Miss Eleanor Deamer and little Muriel Mitchell presented the gift. Miss Crawford expressed her appreciation pleasingly. The evening was spent enjoyably with games and music and refreshments were served.

ANNOUNCING OUR 36TH ANNIVERSARY

Celebration of Event Will Commence on Next Saturday, April 25.

It's our yearly opportunity to show appreciation for so generous a custom by a period of profit sharing and very special prices.

These will be the most profitable shopping days of the season.

Manufacturers have responded most heartily to our requests for special merchandise with cut prices for this

occasion and we can assure everyone of most attractive new goods in every department that will not be duplicated elsewhere.

This coming Saturday will be the first big anniversary day. We hope to see all our friends and we know you'll find it well worth while to come.

Further details in large advertisement in tomorrow evening's papers.—Signed F. W. Daniel, London House.
