Restigouche April 5, 1877. Editors of the Union Advocate.

Your issue of the 4th inst. contains a let-

Mr. Blackwell asks the question, "why were we brought out here." I may reply that no one in this County can answer—it is a shadow of the Minister that the privilege obtained by false pretences was greatly abused. that no one in this County can answer—it is a question often asked our own people with reference to the colony, and in this connection I will take up the charge of untruthful the "party of purity," who, to our

acre to hurt the colony with outsiders than have the regulations carried out. He is so well known in the County, and hose who know him best, that it is not necessary to notice his characteristic effusion. His kindly patronage of Mr. Blackwell is in keeping with his conceit. I can only asnothing to do with the colony more than

Established 1867. NEWCASTLE, MIRAMICHI, N. B.

to our dealers, has given a great impetus to the fish trade of our County.

Every branch of our fisheries has been prosecuted with greater vigor, and every one who had facilities has availed himself of them to participate in the privileges which our cunrivalled river offers to the settlers on its banks. The smelt fishery sprang at once into a business of great importance; and the bass fishery; always a lucrative one, has increased to such a location. As a corrections, (the number of nets) and fishing village, to wash the foundations of the supposed, drifted further down stream. The puncheon of molasses the fishery commission, now heat facilities has structed the effects of the season of the season of the supposed, drifted further down nearly 90 years old, had the honor of an invitation to dine with Queen Victoria a few days ago. The Queen presented "Uncle Tom" with her presented "Uncle Tom" with her presented "Uncle Tom" with perfect the pierced through the puncheon; and at the pierced through the puncheon; the pierced through the puncheon; the pierced through the puncheon; the submitted to the Fishery Commission of the statutes. The puncheon of molasses was successfully brought to the surface by Wrm. Brown, of Nelson, who rigged a rough pike on to a long pole, which he pierced through the puncheon; and at the plough will be an "elect the pierced through the puncheon; and the pierced through the puncheon; the pierced through the puncheon; the first of the set submitted to the Fishery Commission of the late of which the surface by Wrm. Brown, of Nelson, who rigged a rough pike on to a long pole, which he pierced through the puncheon; and such pierced through the puncheon; and the pierced through the puncheon; the pierced through the puncheon; and submitted to the Fishery Commission of the statutes.

The first submitted to the Fishery Commission of the submitted to the Fishery Commission of the late of which with Queen Victoria a few days ago. The first submitted to the pierced through the puncheon; and story pre there are not too many nets engaged and the same evil consequent on the hopes to obviate the threatened danger. old town is built, is a thoroughfare bearing over expenses, \$140.
