BERNSTORFF'S DEPARTURE NEAR IS BELIEF IN WASHINGTON

The Submarine Issue Believed to Have Reached an Acute and

of international warfare in the con- and of humanity he would feel

his mind not to send any more notes to Germany on the submarine issue, and that, if it should develop that re-warfare is renewed.

The Submarine Issue Believed to Have Reached an Acute and
Perhaps Its Final Stage.

Final Stage.

A despatch from Washington says:

Cent cases, such as the torpedoing of the Arabia without warning, are in probable that the American nation in a few days will awaken to the fact that the submarine issue with Germany has reached its most acute and perhaps its final stage. Two imports on the property of the submarine issue with out warning of the pression of the submarine issue with Germany has reached its most acute and perhaps its final stage. Two imports the submarine issue with German Ambassa- over the property of t

of international warfare in the con-duct of their submarines, regardless of promises to the United States.

From a high authority it is learned that President Wilson has made up has lost sight of this possibility, and
