

TELEGRAPHIC SUMMARY.

London, June 4.—The Secretary of State for India has received a despatch from General Napier, dated Adegeral, May 21st. The General says a small detachment of troops will remain at Zouffa. All the remaining troops of the expedition have gone forward to Annesley Bay to embark for home.

Another despatch he has received from General Napier, dated June 1st, reports that the Royal Crown of the late King Theodorus, captured at Magdala, was returned to his Queen, who remained at the capital. General Napier also states that a great flood swept through the Soaroo defile, causing great damage, and rendering the road impassable; the loss of life, however, was small: only 6 natives were drowned instead of 600, as reported. The health of the soldiers was good, notwithstanding the heavy rains.

London, 5th.—In the House of Commons, this evening, an amendment to the suspensory bill was offered, placing the office tenures under the Maynooth College Grant, on the same basis as the livings in the Irish Church. The amendment was opposed as destructive and not suspensory, in accordance with the character of the bill under consideration, and was rejected by the House.

The House then voted in favor of permitting new appointments to be made to the Maynooth College. The suspensory bill was then passed in Committee.
