SKEAT, HORNE PACE RALLY

Emerging from the large turnout of twenty-one participants for the UNBSCC Nighthawk Sports Club, who after gaining a tie for first place, won the trophies by virtue of the best performance at the control points. Driver Chris Skeat kept a steady foot on the accelerator of his loyal TR-3 while following the reliable interpretation of the rally instructions by his navigator Don Horne. For the team of Dave Seheult and George Gunter, the other half of the tie, it was quite disappointing to say the least. Both teams finished with three points stacked up against them; Skeat and Horne losing three at the first check point while Seheult and Gunter lost one point at each of checkpoints (which cost them the trophy) acquired at the finish control.

UNB will play their second pre-Christmas warm-up game on Friday night in the Gym at 7 o'clock when they meet the Grads. The Bloomers should find some tough competition from this team headed by Jo-Ann Carr and Barbara Barnes — both top UNB players before they graduated last year.

Oiler netminder James came out of his crease to freeze a routine shot by Norm Bolitho from the left boards. Frank Barteaux, cruising by, slapped James' pads. The fiery James immediately took exception to this and a tussle resulted.

Bob Grant and Galen Parent also paired off in a corner. As a result of this outburst the latter two were handed majors as well as game misconducts. Barteaux and James each received majors.
