## DAAC Meet Vets To Run

The outgoing DAAC held their final meeting on Tuesday, when they distributed the yearly awards of major and minor felt D's. The meeting was called upon and approved the awarding of major felt D's to those deserving, who were made ineligible by extenuating circumstances.

Dave Churchill-Smith, captain of the hockey team, then made a presentation of an engraved cigarette lighter to coach Windy O'Neill, for his excellent work with the team.

The managers of the teams were then called upon to offer advice to the incoming executive. Bill Mingo recommended stands for the gym and closer cooperation between interfaculty and varsity teams. Lew Bell suggested that the Dal rugby be taken out of the inter-collegiate league and placed in the senior city league.

The meeting closed with votes of thanks given to the outgoing executive, and to Physical Director John MacCormack for their outstanding work this year.

## DVA

**March**—Payment will be made at the end of the month as in January and February. Dates expected are Friday and Saturday, or Monday and Tuesday. Please watch the Noticeboards.

**April**—Payments will be made on Monday, Tuesday, and Wednesday, April 28, 29, and 30. Students whose examinations end earlier and who will leave before April 28 should apply as soon as possible to D. V. A. for earlier payment covering the number of days actually to be attended. Cheques will not be mailed.

**May**—Graduates are expected to remain for Convocation, and will be paid for thirteen days in May, probably on May 10 or 12th.

## Employment Organization

"With a capable manager to guide the Part-time Employment Bureau there is no reason why a monthly gross of \$3000 could not be realized." This statement was made by Vic Wylie, one of the Bureau's originators, at the final Vets meeting of the academic year, when the Vets officially took over the Bureau.

The service will be continued throughout the summer so that established groundwork will not be wasted, and so that it will be prepared to function immediately at the start of the coming term.

Any student may apply for part-time employment. Information may be obtained from Bob Mitchell, Vic Wylie, Norm Sinclair or Dave Churchill-Smith.

A manager for the Bureau will be required for the summer. Applications must be in prior to March 31st. Apply to Part-time Employment Bureau, c/o Mr. Bob Mitchell, Apt. 3, Cornwallis Manor, Summer Street, City; or Vets Office in Cathedral Barracks.

## Constitution Approved

On Tuesday the new Arts and Science executive met for the first time with the Arts and Science society for the purpose of adopting a new constitution. A report was given concerning the campaign waged for Harry Rhude in the past Student Council elections, and as a result, a deficit in the Arts and Science treasury of \$9.00 was brought to the attention of the meeting. It was then decided that the dues called for in the new constitution would be collected both this year and next for the purpose of replenishing the coffers of the society.

Elaborate plans were then drawn up for the forthcoming year.

## Pan-Hellenic, Leonard Award To Fisher, Rogers

This year's winner of the Marjory Leonard Award is Jocelyn Rogers of Halifax, first year Music student and a graduate of Q. E.H.S. This award, an engraved silver spoon, is presented

by the former P. E. I. Marjory Leonard to the "best all round good sport and the most helpful member of the D. G. A. C."

Jocelyn came in with a reputation to uphold, for she has played for two years on the Senior Q. E. H. basketball team, and has also gained recognition as a referee and a coach. She has upheld this reputation by becoming one of the Intermediate basketball team's most outstanding players, as well as a valuable member of the badminton team. Her popularity and her leadership has proven itself by the fact that she has been elected for next year's basketball manager.

The Pan-Hellenic award, the highest honor bestowed on any first year girl by the Dalhousie Student body, goes this year to Renate Fisher of St. John.

Rennie left St. John High at which school she was Secretary of the Athletic Association, to enter Dal last fall on a scholarship. Registered in Pre-Med she has retained her high scholastic record.

Rennie not only participates in sports, she is a guard on the Intermediate basketball team, and is a keen swimmer and skier but is also a member of the Musical Appreciation Society. Painting is also one of her many accomplishments.

Having displayed an outstanding Dalhousie spirit and personality Rennie has proven herself a worthy choice for the Pan-Hellenic award as Dalhousie's outstanding freshette.

## LAST REGULAR MEETING OF OLD COUNCIL MAKES APPOINTMENTS, WINDS UP BUSINESS

The Dalhousie Council of Students wound up its affairs of administration Wednesday night in the last regular meeting prior to examinations, with the appointment of Lew Miller, this year's news Editor, to the position of Editor in Chief of the GAZETTE for 1947-48. Selected Business Manager for next year was Alan Rubin, currently acting as Assistant Business Manager. Since there were no applications for the position, the appointment of an Editor for the Year book was deferred until a meeting to be held shortly after the close of examinations. Jim MacDonald, one time football manager, was given the post of Business Manager of the yearly.

## Cadets Only

University undergraduates accepted in the Canadian Officers Training Corps will have the status of second lieutenants but will not be commissioned on acceptance into the Corps, Army H. Q. announced today. Members of the Corps will now be known as officer cadets and not as commissioned officers. They will, however, be paid as second lieutenants.

An interim report on the state of the Gazette's finances, read by Don Harris, indicated that the GAZETTE would come through this year within its budget, Lew Miller, I. S. S. Chairman, reported on I. S. S. activity and finances to date.

Students' Directory Editor, Bob Blois, reported on that publication, revealing a net deficit of \$245.34, caused by large increases in printing costs.

Changing from an administrative to a judicial body, the Council then gave judgement on the case of McGinnes Vs. Campbell, finding the latter \$50.00 and suspension of his Council card for his part in a recent fracas.

New constitutions for the Arts and Science and Pre-Medical Societies were adopted with slight amendments. The \$138.23 Munro Day budget was approved.

D. A. A. C. expenditures for a badminton trip to Mt. Allison, and a boxing trip to St. F. X. were approved, and a \$50.00 increase voted to its annual budget.

With that—the Council went home.

## Renovation In Student Health Care

During the remainder of the session a student who is too ill to attend the clinic, or if taken ill in the afternoon or evening, may call any doctor practising in the city. If the student wishes advice in the matter of selecting a doctor he should telephone the Clinic, 2-3363 (at any hour) or Students' Health Service 3-8438 (9-5 daily). At the conclusion of the doctor's attendance, the student should pay the doctor, obtain a receipted bill stating the number of visits made and the diagnosis of the illness, and then present this receipt to the Director of the Students' Health Service. The student will be reimbursed by the University Business Manager at the rate of two dollars per visit, with a limit of five dollars for each illness.

The student will be reimbursed at the rate of three dollars for each day in hospital to the extent of five days.

### ACKNOWLEDGEMENT

The Editors of the GAZETTE wish to extend their thanks to Professor Lamberton for his generous assistance with the awarding of points to Literary Contributions.

## S. C. M. MEET HEARS SPEAKER ON COMMUNISM

Believing that students should have some definite knowledge of a force that is as strong in the world today as Communism, the S. C. M. invited Mrs. Ethel Meade to address their Open House meeting.

Following musical selections by Miss Frances Saulnier, violinist, and Miss Margaret Conrad, vocalist, Mrs. Meade, in her opening remarks, stressed the fact that Communism is a living issue today. It challenges economic history scientifically, concluding that a complete change of the social order is the only solution to the

proven inadequacy of capitalism.

Some questions asked, and the answers given, follows:

1. What are the indications of faults in the present system, and what do Communists propose to do about them?

Mrs. Meade, in answer, presented a concise, scholarly analysis of the capitalistic economic system which is featured by periodic depressions. The Communists see the cause of depressions in the unfair profit distributions. They propose a new system of profit distribution.

2. What is the difference be-

tween Communism and Socialism as exemplified by the C. C. F. and L. P. P. Parties?

The original distinction, the speaker explained, came when Marx and Engels formulated the Communist Manifesto. Their ideas were so different from contemporary concepts that they used the new name, Communism. It is recognized that socialism is a stage in the development toward true communism. In the oft-quoted phrases, socialism is "from each according to his ability, to each according to his work", and communism is "from each according

to his ability to each according to his need."

3. Mrs. Meade was asked how she, as a Communist, reconciled Christianity and Communism.

She replied that there are many communists who reject Christianity because of its idealism in contrast to their own affirmed materialism; but she believes that one can be an active Christian and a Communist in that an active Christian must seek also to better the world socially. Weak or passive Christianity cannot be reconciled with the moving force of Communism.
