Sir,

I have the honor to enclose a  
Plan of a Bridge recently built across  
McKenzie Creek, on side road between  
lots 24 and 25, Con 2, Inscarora,  
without the authority of this De-  
partment on the plea that con-  
sideration for the public safety  
would not admit of delay, and  
to request that you will be  
good enough to cause said  
plan to be examined and reported  
upon by the proper officer of  
your Department.

I would also be glad to  
know

G. F. Baillie, Esq.  
Deputy Minister  
of Public Works  
Ottawa
