Ottawa 22nd December, 1908.

Sir,

With reference to your letter of the 14th instant, with which you forwarded \$30.00 rent money due Sarah Sickles, I have to request that you will state why this money was sent in. Is it proposed to make application at an early date for the withdrawal of this money, or does the woman desire to have an account opened in her name in the savings ledger? If further deposits are likely to be made an account will be opened for her, but if not the money will be placed to the band's account (Onaidas of the Thames). You should reply without delay.

Your obedient servant.

Secretary.
