

relations have followed Gambler to  
 Way-way-ee. Capps Reserve, and he  
 adds that he would not be surprised  
 if other members of the same Band  
 would eventually return to the old  
 Reserve for the reasons given by  
 Gambler

With reference to this  
 matter, I have to remind you that  
 the Reserve occupied by Gambler's  
 Band was specially set apart for  
 them at the request of Gambler  
 as he had some old standing  
 dispute with Way-way-ee. Capps,  
 and, in consequence of a Reserve  
 at Silver Creek being allowed to  
 Gambler, a quantity of land equal  
 in area to the new reservation  
 was deducted from the Reserve  
 of Way-way-ee. Capps.
