Sir, -

I beg to acknowledge the receipt of your letter of the 4th instant, in regard to the question of permit desired by Mr. Luke Bouché, of the Indian Reservation at the southwest end of the island, and in reply to say that, in view of the resolution of the survey of the township of Inverness there are reserved 217 acres where this lighthouse is situated, comprising Lot 45 in the 7th concession of the township of Inverness. I would call attention to the fact that you should not have given any permission to remove stone until authority obtained from the Department, and in view as to whether your Department desired to remove the whole of this 217 acres, or if not, what portion thereof when the local Agent will be asked to place approval of the Department.

Your obedient servant,

Asst. Deputy and Secretary.
