Sir,-

I have to acknowledge the receipt of your letter of the 3rd instant, enclosing the March quarter return of the Kamloops Industrial School.

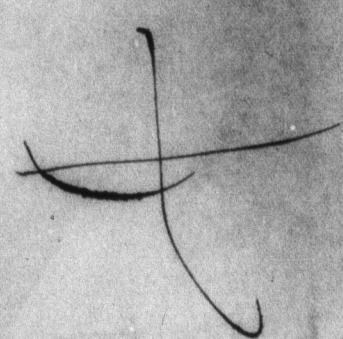

In connection with this return I beg to say that applications have not yet been received for the admission of pupils Nos. 0145, Angele Deneau and 0146, Mary Saul. You were instructed by official letter of January 4th, last, to request the principal to forward an application and certificate of health for the admission of Angele Deneau. You will be good enough to attend to this at once and also to forward an application for Mary Saul.

There ^{were} only 90 days in the quarter ending March 31st, last and not 91 days, as shown by the principal on his return. The principal should add the various columns of the return and carry forward all totals. You will be good enough to instruct him accordingly.

Your obedient servant

Assistant Deputy and Secretary
