

President of the U. S. French  
Society for next year. I  
have been on the executive  
for the last two years, taking  
an especially active part this  
year. I managed practically  
all the business side of the  
play we put on. It was very  
successful both as a play and  
from my point of view. We had  
a surplus of over eighty dollars.  
Had the same fixtures not been  
so late in the year we might  
even have considered entering it.  
With the heaviest winter for  
a successful fight against the most  
vicious budget I have ever known,  
& remain, your loving nephew

Dear Uncle Willie,  
It seems that  
after all I am going to be at  
home again this summer.  
Mr. Pateon gave me a letter  
to the C. P. S. Agent in Detroit,  
but they, as everyone else,  
are saying my story rather  
than taking any new one.  
Mr. Jorg of the Sun like told  
me the same story. My only  
hope now lies in Quebec. He  
head of our French department
