Receipt is acknowledged of your P.6-C-1-468 dated 20th February, 1943, under cover of which you forwarded to this office for registration and custody the proceedings of the marginally noted District Court-Martial.

2. The proceedings have been well reviewed in your letter. Respecting your paras. 3 (f) and 3 (g), it is hoped that in the future greater care will be taken in the preparation of documentary evidence of costs of apprehension, in order that in cases of this kind the full details of apportionment of costs may be shown for the benefit of the reviewing authority.

3. It is not considered necessary to return the proceedings which are therefore retained for custody.
