FATHER OF ALL.

[13.

- 1 **O** FATHER of all, to Thee would we give  
Our dutiful love, as long as we live ;  
Adoring Thy grace and embracing Thy truth,  
The Bible we take for the guide of our youth.
- 2 Here, reading we learn the Saviour to know,  
Who waits, in His word, His love to bestow ;  
Its precepts and promises all have been given  
To bless us on earth, and to save us in heaven.
- 3 Salvation we take and burn to impart  
The love that we feel transforming the heart :  
Dear Saviour, O help us henceforth to proclaim  
To perishing sinners the grace of thy name.
- 4 Our Sunday-school bless, and help us to win  
The children, who are now walking in sin :  
Speed on the glad time, when with joy we  
may say,  
A nation is born to our Lord in a day.
