TESTIMONIALS.

Extract of a letter from Mr. Wylie, Edwardsburg, Ont. (son of the eminent Dr. Wylie):—No family should be without Gray's Healthy Pill. I consider one box worth three of any other Pills. I am satisfied where once used always used.

WEAK LUNGS.

Doctored with first-class physicians in the United States and Canada, was at Vermont Springs for one month, but all was useless. I gradually became weaker when fortunately I was recommended to try Prof. Gray's Roots. I had but little faith in anything, but perceiving my strength return, my cough got better, I persevered with them for twelve months. It is now two years since I commenced them; I can safely say my lungs are thoroughly strong. As the Roots are generally used in this neighborhood, I can testify to other remarkable cures where all hopes had been given up of ever getting better. Yours faithfully,

JAMES STONERS, Merchant, P.M., Lapam.

READ THE TESTIMONY OF THE REV. PETER WRIGHT.

For 30 years I have suffered with Chronic Sore in the leg. I have tried physicians, used everything I could hear of without relief, until I met with Prof. Gray's Ointment. One Sunday as I was going to hold divine service, my leg pained me so much I could not tell what to do, when a friend applied a small portion of Prof. Gray's Ointment, it gave me immediate relief. I have since purchased a box, and before using the whole of it I was completely cured. I have also used it for my eyes, which at times were sore and weak, with the most astonishing results. I consider this an invaluable Ointment, and would recommend it to all who suffer with Chronic sores or weak eyes. You can use my name as I consider it my duty to suffering humanity.

REV. PETER WRIGHT, M.E. Church, W. Huntingdon.

Oakwood, Oct. 1st, 1874.

Dear Sir,—I desire to certify to the efficacy of your East India Roots, Nature's Great Restorative, in curing Liver complaint, Nervousness and General Prostration. I have taken a great many remedies, and spent hundreds of dollars in doctor's bills, with no permanent relief, until I met with your Roots. I can now confidently recommend to all suffering in a similar manner, as I have also seen the beneficial effects of them on others to whom I have given of the preparation. I am, dear sir, gratefully yours,

D. M. BILLINGS, M.E. Minister.

A WALKING ADVERTISEMENT.

A number of years I was troubled with Rheumatism so that I could not walk upright. I could not walk upright, I could only get about by using two sticks. I have been told by the first physicians of the day there was no help for me, but Prof. Gray's Roots have completely cured me so that I can attend to my farm as well as ever. My case was so well known that I have people suffering from Rheumatism coming miles to see if it is true that I am cured. I need scarcely say there is not one but purchases your Roots and I hear of them being cured. I consider it my duty to do all I can for you and it is yours to proclaim far and near what a great remedy you have for Rheumatism.

Gratefully yours,

G. B. WARREN, Elgin.
