

CHRIST IS COMING.

He is coming, coming quickly!
Such the promise of His word;
Coming surely, coming quickly!
Even so, come, Jesus, Lord.

From the Father's throne He's coming,
Just to meet us in the air,
Then we shall be ever with Him,
All His glory we shall share.

Who is He that comes to meet us,
Comes with all the glory bright?
But the One who died to save us,
He who was this dark world's light.

Are you daily *watching* for Him,
Waiting for your Lord's return?
He is coming, coming quickly!
Let your lights then brightly burn.
