## CEMENT WALK CONTRACT

The Municipality of the Village of Beausville, Ont., request tenders for cement or artificial stone sidewalks in this village. For particulars address  
 H. V. ROBINS, Village Clerk,  
 Beausville, Ont.

## Debentures for Sale.

Sealed tenders will be received by the undersigned up to 8 o'clock p. m. on AUGUST 10TH, 1903, for the purchase of \$10,000 Debentures of the Village of Elmira, bearing four per cent. interest, payable in twenty annual instalments. The highest or any tender not necessarily accepted.  
 J. H. RUPPEL,  
 Clerk.

## TENDERS FOR DEBENTURES

Tenders will be received at the City Clerk's Office, Fredericton, for \$4,000.00 City of Fredericton Funded Debt Debentures, dated 20th JULY INST., payable four years from date, with coupons for interest at rate of four p. c. per annum, payable semi-annually. The said Debentures are issued in sums of \$500.00 each. The highest or any tender not necessarily accepted. For further particulars apply to the undersigned. Dated July 16th, A. D. 1903.  
 By order of the city council.  
 CHAS. W. BECKWITH, City Clerk.

## NOTICE TO ENGINE BUILDERS.

Sealed tenders, addressed to James Dixon, Esq., chairman Water Commissioners, Windsor, Ont., and marked "Tender for Pumping Engine," will be received by the undersigned up to 12 o'clock, noon, on WEDNESDAY, THE 12TH DAY OF AUGUST, 1903, for the building and installing of one Horizontal Cross Compound High Duty Crank and Fly-Wheel Condensing Pumping Engine having a capacity of 5 millions imperial gallons in 24 hours against a domestic pressure of 50 lbs. per sq. in., or a fire pressure of 110 lbs. per sq. in. Each tenderer will furnish his own plans and specifications.  
 Time required to complete the work, including installing, must be stated in the tender. A certified cheque payable to the order of the Water Commissioners equal to 10 per cent. of the amount of tender must accompany each tender; which cheque in the case of an unsuccessful tenderer will be forthwith returned, but in the case of the successful tenderer will be retained until a satisfactory bond for the due performance of the work is executed, or if such successful tenderer for any reason neglects or refuses to execute a satisfactory bond within ten days after his tender is accepted by the Water Commissioners, said cheque will be cashed and the expense of re-advertising the work required and any additional cost of building and installing said Pumping Engine over the amount of his tender will be retained from the proceeds of such cheque.  
 The right is reserved to reject any or all tenders.  
 The Water Commissioners,  
 W. A. HANRAHAN, Sec'y.  
 Windsor, Ontario, July 23, 1903.

**BUILDING CONTRACTORS—A HALF OR one-third interest in planing mill, doing a thriving business in the new city of Niagara Falls, Canada, can be bought by practical man on very liberal terms. For particulars apply to WILLIAM HEWSON, real estate agent, Niagara Falls, Canada.**
