Don't experiment with new and untried remedies, but procure that which has stood the test of time. Dr. Fowler's has stood the test for 60 years, and has never failed to give satisfaction. It is rapid, reliable and effectual in its action and does not leave the bowels constipated. REFUSE ALL SUBSTITUTES. THEY'RE DANGEROUS.

Mrs. BROWN Lusk, Aymer, Que., writes: "I have used Dr. Fowler's Extract of Wild Strawberry for Diarrhoea for several years past and I find it is the only medicine which brings relief in so short a time."

**FULL MARKET PRICE FOR BEEF CATTLE.**

Every Friday Market Day.

Send a carload of export and butcher cattle (not old cows or poor stuff, but good beef cattle) to the Yards and offer for private sale. If you cannot sell at a satisfactory price we will put them on cars and market them at market price in Winnipeg or Montreal.

We would like to make up not less than a train load per week, to insure quick transportation at minimum of expense. We will make advances to those who desire it. Good export beef should be exported direct to the English market, in not less than bunches of 50 or more, and space secured thirty days in advance. We will arrange this, and give full information and particulars on application verbally or by letter. This is a proposition that should be encouraged and supported by all who are interested in getting a fair price for their beef. The Alberta Stock-yards are here to assist you to cash your stock, and we will give you bankers' guarantee of a square deal.

Shipments can be made from any station to join the through train. Try it; write or call and see us. **THE ALBERTA STOCK-YARDS CO., LIMITED, Calgary.** D. A. Cameron, Manager.

**TRADE NOTES.**

**ABSORBINE.**—Mr. J. W. Hamilton, liveryman, of Delhi, N. Y., had a seven-year-old gelding with a trial of 2.15. This horse would have been a valuable animal but for one thing, he had thickened wind, causing a severe "whistling," noticeable from the wagon or sidewalk. Mr. Hamilton was on the point of having an operation on this horse, when he wrote to W. F. Young, P. D. F., Springfield, Mass., for advice. The treatment suggested to him by Mr. Young, of Absorbine used externally and Fattening and Condition Drops internally, effected a cure, so that Mr. Hamilton found a ready sale for the horse.

**McCLARY'S "PANDORA."**—The McClary Manufacturing Co., of London, Ont., start their fall advertising in this issue, and are again specializing on their Pandora Range. The Pandora is practically a new range, having been first placed on the market about three years ago. During that time its makers have advertised in the "Farmer's Advocate and Home Magazine," and other weekly papers to a very large extent, with the result that the Pandora is well known from one end of Canada to the other. The advertising, of course, has been backed up by a high-class, modern article. The present series of ads. explain a few of the leading virtues of the Pandora range, and doubtless every woman wanting a good stove will examine this famous range before buying.
