

Fire! Fire!!

The destructive fire of Friday entirely ruined the stock in our premises at 12, 14, 16 Front Street East, but we fortunately had a very large quantity of new English goods in Customs and outside warehouses which were untouched.

Several hundred packages of new lines of American Glassware were also in the freight sheds.

These are now being opened up and will be stocked in a few days.

Goods of Canadian manufacture will of course be stocked at once.

We therefore solicit an uninterrupted continuance of your patronage.
